

Partnership Helping Align Nebraska

COMMITTEE OF THE NEBRASKA CHIROPRACTIC PHYSICIANS ASSOCIATION

Partnership Helping Align Nebraska needs your help to elect and support officials who will protect our scope of practice and the people we serve. Our NCPA PAC supports candidates who will work for pro-chiropractic public policy. Your contribution is essential if we are to elect and keep pro-chiropractic candidates in office!

Federal law requires that you verify the following statements are true and accurate by checking the box below.

I certify that I am making this contribution using my own personal funds and will not be reimbursed by a corporation, another person, labor union or nation bank. I am not a federal contractor. I further certify that I am a U.S. citizen, at least 18 years of age, and that I am not making this contribution using a corporate credit card, and that I have not made contributions to other PACs that, when combined with the contribution, would make me exceed the annual limits on giving to PACs.

Signature _____ Date _____

Contributions to CN/CNSPAC are voluntary and will be used for political purposes.
Contributions are not deductible for federal income tax purposes.
